

## PROPERTYPAL PRICING STRUCTURE

### SIMPLE MONTHLY PRICING

We have currently set the fee for property listings at zero (€0) per month.

We do not place any limitations on the number of listings that the Member can run in any month, but a subscription is required for each Branch maintained by each Member.

### FIXED PRICE

The subscription fees set out above is subject to our General Terms. The only exceptions to this, to protect us in future, are that we reserve a right to:

- a) increase our pricing in line with any future percentage increase in the Irish Consumer Prices Index published by the Irish Central Statistics Office (or, if that index ceases to be published, the nearest index having equivalent or near equivalent effect), based on any increase from the published figures as at January 2020; and
- b) increase our pricing to reflect any direct increased cost to us from our suppliers, where that pricing directly applies to the Relevant Listings maintained by the Member and is outside PropertyPal's [control](#).

## GENERAL TERMS

The above provisions are subject to our general terms (**General Terms**), which are available at [www.propertypal.com/membership-terms-roi](http://www.propertypal.com/membership-terms-roi), and which apply over the content of this page in the event of any conflict or inconsistency.

Any capitalised terms used herein but not defined shall have the meaning given to them in the General Terms.
